APPROVAL OF STATE ENGINEER

This is to certify I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the point of diversion and place of use of Claim No. 669 of the Carson River as heretofore granted under the Final Carson River Decree No. D-183, in the District Court of the United States in and for the District of Nevada, is issued subject to the terms, conditions and irrigation period imposed in said Final decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.57 cubic feet per second, but not to exceed 84.78 acre feet or as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before January 29, 1992

Proof of completion of work shall be filed before February 28, 1992

Application of water to beneficial use shall be made on or before January 29, 1994

Proof of the application of water to beneficial use shall be filed on or before February 28, 1994

Map in support of proof of beneficial use shall be filed on or before February 28, 1994
